

Alok Sharma, MP for Reading West

Dear Constituents,

Thank you for contacting me about the Hunting Act 2004.

If a bill with regards to any changes to the Hunting Act is brought forward during the coming Parliament, I will review its detailed contents before making a decision. I appreciate that this issue arouses strong feelings on both sides of the debate but I can assure you that, on a personal level, I have never hunted and never will. I have to say though, as in the last Parliament, I would expect the focus of the Government to be on ensuring that the economic recovery continues in our country.

Thank you again for taking the time to contact me.

Yours sincerely,

Alok Sharma MP
