

Alok Sharma, MP for Reading West

16th July 2015

Dear Constituents,

Thank you for contacting me with regards to amending the Hunting Act 2004. As you will know, the vote planned for Wednesday 15th July was cancelled, which I believe was the right decision.

As I have noted in previous responses, I believe the focus of the government should be on continuing to keep our economic recovery on track and fixing our public finances.

Thank you once again for contacting me.

Yours sincerely,

Alok Sharma MP
